OSpectra AI, Inc.

Investor Outreach Proposal · October 2026
Prepared for OSpectra AI, Inc.

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE ASK

A $2–3M raise for OSpectra AI, closing as early as possible within the current six-month runway. About 40–50% builds the team, 20–30% goes to sales and marketing. Roughly $400K is already committed by the four founders, with $300–400K more in circled interest. The preferred capital: high-net-worth individuals and exited operators who know home care, not VCs.

THE PLAN

Two founder LinkedIn accounts, run end to end by ThinkFISH in your voice. Targeting accredited angels, exited healthcare operators and home-care strategics writing $100K+ checks, plus our 10k+ investor database and the Startup Deal Desk newsletter. Every meeting pre-qualified and approved by you.

THE INVESTMENT

$3,000 per month, flat. Six-month term with a three-month opt-out. Covers both founder accounts. No setup fee, no success fee, no commission, no transaction involvement.

WHAT TO EXPECT

Outreach live within two weeks of kickoff. First qualified investor conversations in weeks three and four, building to 2–6 qualified meetings per week across both accounts from December, with weekly reporting and a data-driven checkpoint at the three-month opt-out in January. One honest note: early-stage raises historically take 6–12 months from first outreach to capital in the bank, and your runway is six. That is why we’d start now and keep the friends-and-family round running in parallel, and we’d rather you hear it from us.

Why ThinkFISH

THE TRACK RECORD, BEFORE THE PROCESS

$200M+ client-reported capital raised

10,000+ qualified investor meetings booked

500+ clients served since 2020

ISSUANCE · DARREN MARBLE, CEO

"…one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise $2 to $3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

$2–3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What’s Standing Between You and the Close

THE GAP WE’RE SOLVING

You’ve done the hard part: a home-care platform rebuilt from the ground up as an AI co-worker that covers the after-hours work this industry runs on, a 14–15 person team already in place, about $400K of founder money committed, and a founding team that has raised from strategic investors and exited before. What’s missing isn’t credibility, it’s reach. Until now the raise has run on personal connections, and that circle has a ceiling.

The right investors for this round already understand home care and AI, and write $100K+ checks without months of education. Finding that pool at volume, ahead of year-end liquidity decisions, is a targeting problem, not a pitch problem.

SURFACE PROBLEM	No outreach yet beyond friends and family. This is the first step outside your own network, and the remaining $2M+ needs a far larger circle.
BUSINESS IMPACT	Hiring, the team build-out and go-to-market all wait on capital. In AI, as you put it, the speed of change means you need the money to pivot fast.
PERSONAL IMPACT	Founders who should be running demos with home-care customers and building product end up sourcing, vetting and educating investors one by one.
COST OF INACTION	Six months of runway. Every month without a full investor pipeline narrows the window to close on your terms rather than under time pressure.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Exited Healthcare & Home-Care Operators	Founders and executives who built or sold home care, home health or post-acute businesses. They know the after-hours pain firsthand and can advise, not just invest.
2. Healthcare SaaS & AI Angels	Accredited angels with a track record in healthcare software and applied AI, who read an AI co-worker model without needing it explained.
3. Home-Care Strategics	Home care and home health agencies and their owners: future customers who may take an equity stake and help with go-to-market.
4. HNWIs with Recent Liquidity Events	Investors with a recent exit or large share sale, looking to deploy before year-end, with a history of $100K+ checks in healthcare or tech.
5. Healthcare Syndicates & Alumni Networks	Angel groups, syndicates and alumni networks active in healthcare, plus speakers and attendees at home-care and health-tech conferences.

These segments are our starting point. A fuller outline of investor targets, including check sizes, geographies and exclusions, will be planned with you during onboarding.

Two Accounts, One Raise

HOW THE CAMPAIGN IS STRUCTURED

TWO FOUNDER ACCOUNTS

Outreach runs from two founder LinkedIn accounts, each with its own audience, scripts and scorecard, so an exited home-care operator and a health-tech angel each hear the story from the right founder. Which segments each account carries gets confirmed with you in onboarding.

THE REEF & DEAL DESK

Beyond your own accounts, the raise is retargeted to our internal database of 10k+ investors who opted in for deal flow, and featured in Startup Deal Desk, our 84k-subscriber investor newsletter. Same qualification, same approval, same CRM.

FRIENDS & FAMILY

Your friends-and-family round keeps running in parallel; there is no conflict. Our outreach never touches your 1st-degree network, and anyone you've already spoken to goes on the do-not-contact list so the two efforts never overlap.

WHY ONE RETAINER COVERS BOTH ACCOUNTS

The engine is shared: one dedicated account manager, one CRM, one weekly review, one set of reports covering both accounts. Two accounts double the top of the funnel for the same retainer, which matters when the goal is to close as much of the round as possible within six months of runway.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn’t working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

The Call Briefing

WHAT LANDS IN YOUR INBOX BEFORE EVERY MEETING · A REAL ONE, NAMES WITHHELD

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a $25K–$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: *"…Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience… Let me know if helpful to chat."*

Founder: *"…To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch… Given your background, I'd genuinely value your take on it from that angle."*

Prospect: *"Love it. Let's connect." … "Perfect. Sent. Looking forward."*

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

3,200

LinkedIn touches / month, two accounts

800 InMails and 800 connection invites per founder account every month, once fully warmed up. Every touch scored and hand-reviewed before it goes out.

QUALIFIED MEETINGS

2–6

per week at steady state (month 2 onward)

Conservatively 1–3 per account per week once calibrated. Not a guarantee, but the range we deliver consistently.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: ICP, audiences, scripts, account warm-up, and your deck and data room tightened. Live outreach starts in week three, first bookings follow within days.

WHAT “QUALIFIED” MEANS, AND THE HONEST TIMELINE

A qualified meeting is a high-net-worth individual, fund or family office with a verified history of similar investments, who passed scoring and human review, completed the self-qualification form on booking, and whose briefing you approved. Pre-revenue raises historically take 6–12 months from first outreach to capital in the bank. We’ll have the right investors on your calendars quickly; the close depends on your process and their diligence, and we’d rather you hear that from us now.

What We Are, and What We’re Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don’t negotiate terms, don’t take a success fee or commission, don’t touch the transaction, and don’t raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with you, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

Take this deck to the founding team and bring the questions to our call on Thursday, October 22 at 10am PT. Matt will walk through the proposal and answer the targeting, process and compliance questions directly.

2 · SIGN & KICK OFF

We send the services agreement the same day you say yes. Onboarding starts that week: the founder interview, both LinkedIn accounts connected, and deck and data-room feedback so materials are ready before the first meeting.

3 · FIRST MEETINGS

Both accounts are live within two weeks of kickoff. The first qualified investor conversations land on your calendars in weeks three and four, then build to a steady weekly rhythm through the year-end window and into the January checkpoint.

WHAT WE NEED FROM YOU

Connect the two founder LinkedIn accounts to our system (no passwords or login credentials required). Share your pitch deck, data room and any investor lists or past conversations. One 60-minute onboarding interview. A Calendly link for whoever takes first meetings, and a do-not-contact list covering your friends-and-family round. That’s it. We handle the rest.
