PointNine Fragrance, Inc.

Investor Outreach Proposal · October 2026
Prepared for Brian Fox Krawczyk & Maria Ashe

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE ASK

$600K–$850K to take PointNine to its Q1 launch: the first production run of 12 SKUs (six fragrances, each in 9.5 mL and 50 mL), packaging, launch marketing and trade shows. Your year-one cash flow at $700K never goes negative. Minimum check $250K, so two or three investors, ideally led by a strategic who knows fragrance or luxury. Capital can land in two halves: inventory first, the balance at ship.

THE PLAN

Three LinkedIn profiles (Brian's, Maria's and Rain Hannah's), run end to end by ThinkFISH in your voice. Targeting investors who already understand prestige fragrance: beauty and luxury operator-angels, consumer family offices, luxury wellness and sustainability investors, and angels with recent exits. Every meeting screened against your $250K minimum and approved by you.

THE INVESTMENT

$3,500 per month, flat, covering all three profiles. Four-month term, matched to the raise window we discussed. No setup fee, no success fee, no commission, no transaction involvement.

WHAT TO EXPECT

Outreach live within two weeks of kickoff. First qualified investor conversations in weeks three and four, building to a steady 3–6 qualified meetings per week across the three profiles from December, with weekly reporting throughout.

Why ThinkFISH

THE TRACK RECORD, BEFORE THE PROCESS

$200M+ client-reported capital raised

10,000+ qualified investor meetings booked

ISSUANCE · DARREN MARBLE, CEO

"…one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise $2 to $3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

$2–3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What’s Standing Between You and the Close

THE GAP WE’RE SOLVING

You’ve done what most pre-launch brands haven’t: the formula is locked with Mane, packaging and CADs are finished, a filler is in place, Saujet has signed on as launch partner, a full leadership bench including a CFO is in place, and every boutique you’ve walked into has said yes. What’s missing is capital, and the reason is structural: your network runs deep in retail, product and celebrity, not in investors writing $250K checks, and cold investors won’t wire in 30–45 days.

Your round is modest and the story is strong. The variable you control is how many right-sized investors, people who write $250K checks and already understand prestige fragrance margins, land on your calendars every week.

SURFACE PROBLEM	The brand is ready and retailers are saying yes, but the round has no committed investor yet, and the one industry investor in view is waiting on a house sale.
BUSINESS IMPACT	The first production run, 12 launch SKUs across 9.5 mL and 50 mL, and the Q1 launch with Saujet all wait on the same $600K–$850K.
PERSONAL IMPACT	Two founders, two years in and over $300K of their own money committed, spending launch-critical weeks sourcing investors instead of selling in.
COST OF INACTION	Every week without a pipeline compresses the raise into the launch window and raises the pressure to take whoever moves first, not the partner you want.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Beauty & Fragrance Operator-Angels	Exited founders and executives from prestige beauty, fragrance and luxury. They read a $17 cost on a $350 bottle and need no education on the category.
2. Luxury & Consumer Family Offices	Family offices with consumer, luxury or retail holdings that can lead a $250K+ check and open doors to the department stores on your list.
3. Luxury Wellness & Recovery Investors	Investors backing luxury wellness and recovery, where more Wall Street money is moving. GranRepair and the skin-sensitivity peptide make PointNine a wellness ritual, not just a scent.
4. Clean Beauty & Sustainability Investors	Impact and ESG-minded angels drawn to alcohol-free Aquafine, headspace oils, upcycled packaging, refills, and 1% of profits to Harboring Hearts and All Out.
5. Consumer-Brand Angels with Recent Exits	Investors who recently exited a DTC or CPG brand, understand multi-channel launches, and are actively looking for the next one.

These segments are our starting point. A fuller outline of investor targets, including check sizes, geographies and exclusions, will be planned with you during onboarding.

Three Voices, One Raise

HOW THREE PROFILES COVER ONE ROUND

BRIAN · TRACK RECORD

Brian's profile leads with the track record: at Mana Products he grew the contract division from $17M to $122M in five years; he built Genealogy Beauty into a $17M-a-year lab; and he has created formulas for MAC, NARS, Chanel and Dior. The message for beauty operator-angels and family offices who back a founder's record.

MARIA · TRACTION

Maria's profile, as President, carries the commercial story: 25+ years building prestige beauty brands, Saujet signed as launch partner, boutiques in New York and Amsterdam ready to stock, and two pre-mortems behind the plan. The message for investors who want demand first.

RAIN · BRAND & REACH

Rain Hannah, PointNine's Chief Brand Ambassador, reaches investors the founders' profiles won't: lifestyle, entertainment and consumer capital from her circle across film, music, sports and business.

WHY ONE RETAINER COVERS ALL THREE

One dedicated account manager, one CRM, one weekly report split by profile. Three senders with different backgrounds widen the range of investors who respond, by geography, age and network, without tripling the work on your side. We'll also add company pages for past ventures so investors who click through find the track record. The profile-to-message mapping above is our starting assumption; we confirm it with you in onboarding.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 12k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn’t working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

The Call Briefing

WHAT LANDS IN YOUR INBOX BEFORE EVERY MEETING · A REAL ONE, NAMES WITHHELD

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a $25K–$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: *"…Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience… Let me know if helpful to chat."*

Founder: *"…To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch… Given your background, I'd genuinely value your take on it from that angle."*

Prospect: *"Love it. Let's connect." … "Perfect. Sent. Looking forward."*

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

4,800+

LinkedIn touches / month, three profiles

We aim to send 600–800 InMails and 600–800 connection invites per profile every month from Brian’s, Maria’s and Rain’s accounts, once warmed up. Every touch scored and hand-reviewed first.

QUALIFIED MEETINGS

3–6

per week at steady state (month 2 onward)

Conservatively 1–2 per profile per week once calibrated, screened against your $250K minimum. Not a guarantee, but the range we deliver consistently.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: ICP, audiences, scripts, profile warm-up. Live outreach starts in week three, and the first replies and bookings follow within days.

WHAT “QUALIFIED” MEANS, AND THE HONEST TIMELINE

A qualified meeting is a high-net-worth individual, fund or family office with a verified history of similar investments, who passed scoring and human review, completed the self-qualification form on booking, and whose briefing you approved. Pre-revenue raises historically take 6–12 months from first outreach to capital in the bank. We’ll have the right investors on your calendars quickly; the close depends on your process and their diligence, and we’d rather you hear that from us now.

By the end of January you'll have three months of real numbers on which segments and which profiles convert, and month four puts full volume behind them as the Q1 launch approaches. At the end of February we review together and decide, on data, whether to extend into the next round or the next brand.

Pricing

FLAT RETAINER. NO SETUP FEES, NO SUCCESS FEES, NO SURPRISES.

THINKFISH FUNDRAISING · DONE-FOR-YOU

$3,500 / month

4-month term · Three profiles · Flat fee, nothing else

- Three LinkedIn profiles (Brian, Maria, Rain), fully managed
- Full investor campaign execution, end to end
- Outreach, inbox management & follow-ups
- Lead qualification, pre-call briefings & scheduling
- The Reef retargeting & Startup Deal Desk feature
- Profile optimization, including building up Rain’s
- CRM, weekly reporting, A/B testing & optimization

WHAT THAT BUYS

- Three senders on one retainer: three audiences, three scorecards, one team and one weekly report
- Compare: investment bankers decline sub-$10M mandates; crowdfunding platforms cost 20–30% of the raise in marketing spend
- Investors screened against your $250K minimum before they reach your calendar, so your weeks go to selling in, not sourcing
- Relationships that carry forward: an investor who passes on this round may be right for the mid-tier and mass lines in your platform plan

What We Are, and What We’re Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don’t negotiate terms, don’t take a success fee or commission, don’t touch the transaction, and don’t raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Brian and Maria, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.
