HSR Capital

Investor Outreach Proposal · October 2026
Prepared for Karson Jones

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE GOAL

Grow HSR's investor base beyond one person's network ahead of a $50M+ raise year: the Washington pipeline plus $15–20M for Generation Homes' Idaho expansion, with capital needed by the end of Q2 2027. New relationships take time, so they need to start in Q1. Minimum check $200K; most land between $200K and $700K.

THE PLAN

Karson's LinkedIn profile, run end to end by ThinkFISH in his voice, building new relationships with accredited real estate investors in the Pacific Northwest, Idaho and the coastal markets looking for growth-market exposure. Relationship-first, never a solicitation of the offering. Every meeting pre-qualified and approved by you.

THE INVESTMENT

$3,000 per month for Karson's profile, or $3,500 with Dustin's profile added. Flat, on a four-month term. No setup fee, no success fee, no commission, no points on capital raised, no transaction involvement. A team behind your capital raiser instead of a second hire.

WHAT TO EXPECT

Outreach live within two weeks of kickoff. First qualified investor conversations in weeks three and four, building to a steady 1–2 qualified meetings per week from Karson's profile from month two, more once a second profile is added. Weekly reporting throughout. One honest note for the partners: these are new relationships, not friends and family, so first meeting to signed note takes longer than your warm network does. Plan on months, not weeks. That is why we'd start in January for a Q2 close, and we'd rather you hear it from us now.

Why ThinkFISH

THE TRACK RECORD, BEFORE THE PROCESS

$200M+ client-reported capital raised

10,000+ qualified investor meetings booked

500+ clients served since 2020

ISSUANCE · DARREN MARBLE, CEO

"…one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise $2 to $3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

$2–3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What’s Standing Between You and the Close

THE GAP WE’RE SOLVING

HSR has done the hard part: $40M of investor capital, an investor who started with $1M in 2020 and is now at $5M, notes that roll like season tickets, and $25M of this year’s $30M raised by one person. The constraint is structural, not the offering. Because the notes can’t be generally solicited, every investor has to come through a relationship, and one person’s 3,500 connections, mutuals and tee times have a ceiling. Next year needs around $50M.

Private capital is a relationship game at volume. Inside 506 rules, the variable you control is how many new, qualified relationships with accredited real estate investors start every week, long before the next note needs to be filled.

SURFACE PROBLEM	One capital raiser working a warm network that’s close to tapped: LinkedIn mutuals, referrals and country-club tee times, with a month-or-two slump between hot streaks.
BUSINESS IMPACT	Washington plus $15–20M for Idaho puts next year at around $50M, all raised by one person. Idaho is a new market, and HSR has no investor network there yet.
PERSONAL IMPACT	Karson carries every raise alone, and the fallback on the table is relocating to Boise for three or four months to build an Idaho network one country club at a time.
COST OF INACTION	About $15M rolls off mid-to-late Q1. It may all recycle, or 10–20% may not. By the time the gap is known, it’s too late to start the new relationships needed to fill it.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. PNW Real Estate & Land Investors	Accredited individuals and family offices in Portland, Vancouver and Seattle with private real estate or land history. Close enough to walk the sites, and to golf.
2. IDAHO · Treasure Valley Capital	Boise-area investors, operators and family offices local to Generation Homes' expansion. Built remotely so Karson flies in for meetings instead of moving there.
3. Coastal Capital Seeking Growth Markets	California, New York and Florida investors priced out of their home markets and allocating to growth regions where entry-level housing is undersupplied.
4. Private Credit & Income Allocators	Investors who prefer fixed-income, debt-style real estate positions to equity, write $200K–$1M checks and roll capital from deal to deal.
5. Builders, Lenders & RE Operators	Retired homebuilders, lenders and real estate executives who already understand entitlement, horizontal and vertical risk, and need little diligence.

These segments are our starting point. A more complete outline of investor targets, including check sizes, geographies and exclusions, will be planned with you during onboarding.

One Raiser Today, Two Profiles to Scale

HOW THE CAMPAIGN GROWS WITH THE RAISE

KARSON · CORE CAMPAIGN

Karson's profile carries the core campaign: Pacific Northwest real estate investors for the Washington pipeline, plus the first Idaho and coastal segments. 3,500 connections and an investment background give relationship-first outreach credibility. Every meeting lands on his calendar, already briefed.

DUSTIN · WHEN YOU SCALE

Adding Dustin's profile, with roughly 9,000 connections, is the fastest way to add volume, for $500 more a month, for example by pointing it at Idaho and Treasure Valley capital for the Generation Homes expansion. Its own audience, scripts and scorecard. Meetings can still route to Karson, so the partners' time isn't spent prospecting.

WHY START WITH ONE

Starting on Karson's profile proves the targeting and the meeting quality on real numbers before the partners commit a second account. The engine is shared either way: one account manager, one CRM, one weekly report. The profile-to-market mapping above is our starting assumption from the call; we'll confirm it with you in onboarding.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn’t working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a $25K–$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: *"…Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience… Let me know if helpful to chat."*

Founder: *"…To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch… Given your background, I'd genuinely value your take on it from that angle."*

Prospect: *"Love it. Let's connect." … "Perfect. Sent. Looking forward."*

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

1,600

LinkedIn touches / month, one profile

800 InMails and 800 connection invites every month from Karson's profile, once fully warmed up. Every touch scored and hand-reviewed before it goes out.

QUALIFIED MEETINGS

1–2

per week at steady state (month 2 onward)

Our conservative range for one profile once calibrated; real estate audiences often run higher. Add Dustin's profile and the range moves with it.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: ICP, audiences, scripts, profile warm-up. Live outreach starts in week three, and the first replies and bookings follow within days.

WHAT "QUALIFIED" MEANS, AND THE HONEST TIMELINE

A qualified meeting is an accredited individual, family office or fund with a history of similar real estate investments, who passed scoring and human review, completed the self-qualification form on booking, and whose briefing you approved. New relationships close slower than friends and family: plan on months from first meeting to signed note. Start four to six months before the capital is needed, and we'd rather you hear that from us now.

What We Are, and What We’re Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don’t negotiate terms, don’t take a success fee or commission, don’t touch the transaction, and don’t raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Karson, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

Karson, take this to the partners and send us the questions that come back. In December or January, Matt and Ben Padnos, our CEO, will join a short meeting with the partners to walk through the process, compliance and the numbers directly.

2 · SIGN & KICK OFF

We send the services agreement the same day you say yes. Onboarding starts that week: one 60-minute interview with Karson, and we connect his LinkedIn profile, no passwords required. Setup in December puts outreach live in early January.

3 · FIRST MEETINGS

Karson's profile is live within two weeks of kickoff. The first qualified investor conversations land in weeks three and four, then build to a steady weekly rhythm through February and March, ahead of the Q2 close and the Idaho raise.

WHAT WE NEED FROM YOU

Connect Karson's LinkedIn account to our system (no passwords or login credentials required). Share the Investor Day deck, a current executive summary and any lists of past contacts. One 60-minute onboarding interview. A Calendly link, and a do-not-contact list covering your existing investors and anyone we should avoid. That's it. We handle the rest.
