Nusoma Asset Management

Investor Outreach Proposal · October 2026
Prepared for Sola Amosun & Jim Lusher

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE ASK

The final $25M of the $100M first close, committed by April 2027, with $75M already in. The first close is the foundation for the second and third phases of a $300M, ten-year real estate fund. The target is family offices and institutional-minded LPs who are used to fund structures and can commit in $1M units.

THE PLAN

Two LinkedIn profiles (Sola's and Jim's), run end to end by ThinkFISH in your voice. It works alongside your placement agents, not instead of them. We reach new family offices, SPV leads and HNW investors with recent liquidity who are outside your existing network. Every meeting is pre-qualified on check size and approved by you.

THE INVESTMENT

$3,000 per month, flat, for both profiles. A six-month term with no opt-out, running to your April close. No setup fee, no success fee, no commission, no percentage of capital raised and no involvement in the transaction.

WHAT TO EXPECT

Outreach goes live within two weeks of kickoff. The first qualified investor conversations come in weeks three and four. By December that builds to a steady 2–4 qualified meetings per week across both profiles, with weekly reporting and a January review. One honest note: this channel is unlikely to cover the full $25M on its own in six months. First commitments typically follow in months three and four, and $1M+ checks carry longer diligence. Our job is to put more of the right LPs in front of you before April. We'd rather you hear that from us now.

Why ThinkFISH

THE TRACK RECORD, BEFORE THE PROCESS

$200M+ client-reported capital raised

10,000+ qualified investor meetings booked

500+ clients served since 2020

ISSUANCE · DARREN MARBLE, CEO

"…one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise $2 to $3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

$2–3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What’s Standing Between You and the Close

THE GAP WE’RE SOLVING

You’ve done the hard part. You have $75M committed, two placement agents working the raise, and a clear strategy: attainable housing across the Sunbelt and mixed-use and luxury condos in markets like Brentwood-Franklin and Charlotte. The last $25M is a different problem. It isn’t about the fund. The warm networks behind the first $75M are largely tapped, cold email doesn’t get answered at this tier, and the LPs you need next are people you haven’t met yet.

At this stage, capital raising comes down to volume at the right tier. The variable you control is how many new, right-sized LP conversations reach your calendar every week, on top of what your placement agents bring.

SURFACE PROBLEM	Almost two years to reach $75M. Email hasn’t worked, and LinkedIn hasn’t reached far enough beyond your existing connections.
BUSINESS IMPACT	The first close sets up the second and third phases, and the fund’s guarantee backs the senior debt on the projects. All of it is gated on April.
PERSONAL IMPACT	Sola and Jim running four channels at once, sourcing LPs themselves instead of meeting the ones who are ready to talk.
COST OF INACTION	Every month without new LPs in the pipeline pushes the first close past April, and takes away the year-end momentum you want to bring into phase two.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Family Offices with Real Estate Allocations	Single and multi-family offices that already invest in diversified real estate funds and can commit in $1M units. This is the institutional tier Jim asked us to stay focused on.
2. SPV Leads & Investor Syndicates	Leads who write $250K–$500K themselves and bring several co-investors in as one SPV. That is $1M–$2M arriving as a single LP on your cap table.
3. HNW Investors with Recent Liquidity	Founders with recent exits and investors facing a tax liability who self-select at $500K+. Real estate with a credit-enhancement story suits their need for yield and tax efficiency.
4. Prior LPs in Sunbelt & Attainable Housing	Investors in multifamily, workforce housing and Sunbelt development funds, including those in our database with a similar thesis, for whom Nashville and the Southeast need no explaining.

These segments are our starting point. During onboarding we'll plan a fuller outline with you, covering check-size floors, geographies, conference lists and exclusions, including everyone your agents are already talking to.

One Engine, Alongside Your Agents

WHERE THINKFISH FITS IN THE RAISE YOU'RE ALREADY RUNNING

SOLA + JIM · TWO PROFILES

Outreach runs from both of your profiles. Investors at this level reply to the principals, not to a third party. We split the segments between you based on your backgrounds and confirm the split in the first onboarding session. Each profile has its own audience, scripts and scorecard.

THE REEF · RETARGETING

Alongside new outreach, we retarget our internal database of 10k+ investors who opted in to deal flow, filtered for a real estate thesis close to yours: multifamily, attainable housing and Sunbelt development. It's the warmest starting point we have.

CONFERENCES & SIGNALS

Targeting goes well beyond titles and LinkedIn groups. We use conference attendee and speaker lists, past exits and investments, alumni groups and syndicates. Where it helps, we book meetings around the events your target LPs attend, whether or not you're there.

HOW IT FITS WITH YOUR PLACEMENT AGENTS

Your placement agents work their relationships, and we bring in LPs from outside them. Everyone already in conversation with your agents goes on the do-not-contact list, so nobody hears from Nusoma twice. One account manager, one CRM and one weekly report cover both profiles. Whatever works for the first close carries straight into phase two.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn’t working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a $25K–$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: *"…Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience… Let me know if helpful to chat."*

Founder: *"…To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch… Given your background, I'd genuinely value your take on it from that angle."*

Prospect: *"Love it. Let's connect." … "Perfect. Sent. Looking forward."*

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

2,400+

LinkedIn touches / month, two profiles

We aim for 600–800 InMails and 600–800 connection invites per profile every month from Sola's and Jim's accounts once they're fully warmed up. Every touch is scored and hand-reviewed before it goes out.

QUALIFIED MEETINGS

2–4

per week at steady state (December onward)

Conservatively 1–2 per profile per week once calibrated. The $1M+ tier is thinner, so expect most early meetings at $500K+ and a growing share at $1M+. This isn't a guarantee, but it's the range we deliver consistently.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: the ICP, audiences, scripts and profile warm-up. Live outreach starts in week three, and the first replies and bookings follow within days.

WHAT "QUALIFIED" MEANS, AND THE HONEST TIMELINE

A qualified meeting is with a family office, fund or high-net-worth investor who has a verified history of similar investments, passed scoring and human review, confirmed check size on booking, and whose briefing you approved. LP commitments at this size take time. First commitments typically come in months three and four, and $1M+ checks carry longer diligence. We'll get the right LPs onto your calendars quickly, but the close depends on your process. We'd rather you hear that from us now.

Your First 90 Days

- ICP and audiences built
- Profiles optimized and warmed
- Scripts approved in your voice

WEEKS 3-4 · LATE NOV
First Live Outreach

MONTH 2 · DECEMBER

- Targeting tightened on real replies
- Segment reporting: what converts

MONTH 3 · JANUARY
Review & Push

- Review of three months of data
- Double down on converting segments
- Plan months 4–6 to the April close

THE JANUARY REVIEW

By January you'll have three months of real numbers on audience quality, meeting quality and which segments are committing capital. We use that review to aim February through April at the LPs most likely to close before your April deadline. It also sets up the targeting for the second close, so phase two starts with a proven audience.

What We Are, and What We’re Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don’t negotiate terms, don’t take a success fee or commission, don’t touch the transaction, and don’t raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Sola and Jim, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

Share this deck and the agreement with your team. Book a 45-minute call through Matt's Calendly link with Sola, Jim and the rest of your team. Matt and our CEO will join to answer the remaining questions and talk through where our own real estate network may help.

2 · SIGN & KICK OFF

When you're ready, sign the agreement and we book onboarding that week. That's a one-hour call with Freizle, our COO, to walk through the process and connect both LinkedIn profiles, followed by a short intake form.

3 · FIRST MEETINGS

Both profiles go live within two weeks of kickoff. The first qualified LP conversations land on your calendars in weeks three and four, then build to a steady weekly rhythm through December and into the January review.

WHAT WE NEED FROM YOU

Connect Sola's and Jim's LinkedIn accounts to our system. No passwords or login credentials are needed. Share the fund materials and any LP lists or past conversations, including investors who have passed. Send us the list of everyone your placement agents are working, as a do-not-contact list. Fill in the intake form, and give us a Calendly link for each of you. We handle the rest.
