Pinemount Developments Ltd.

Investor Outreach Proposal · September 2026
Prepared for Moshin Sheri

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE ASK

About \$5.5M in new equity across two purpose-built rental projects in Peterborough and Scarborough, each over \$100M in project cost: roughly \$3.5M within 6–8 months and \$2M in about four, the top-ups needed to close CMHC-backed construction financing. Beyond these two, a wider bench of investors for the two to three raises Pinemount runs every year.

THE PLAN

Two LinkedIn profiles, Moshin's and your new IR rep's, run end to end by ThinkFISH in your voice. Targeting accredited and high-net-worth investors, family offices and business owners with a history in private real estate, plus pre-booked meetings at the events your IR rep attends. Every meeting pre-qualified and approved by you; your team closes.

THE INVESTMENT

\$3,000 USD per month, flat, for both profiles. Six-month term with a three-month opt-out. Covers both raises. No setup fee, no success fee, no commission, no carve-out of the equity you've already raised, no transaction involvement.

WHAT TO EXPECT

Outreach live within two weeks of kickoff and the full flow from about day 30: 2–4 qualified meetings per week across both profiles, weekly reporting and a data-driven checkpoint in December. One honest note for ownership: raises historically take 6–12 months from first outreach to capital in the bank. Your track record helps, but a new investor still needs time to diligence a new sponsor, so new relationships are most likely to land in the \$3.5M raise and the ones after it. For the \$2M due in four months, your existing investors and EMD partners stay the backstop.

ISSUANCE · DARREN MARBLE, CEO

"...one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise \$2 to \$3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

\$2-3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What's Standing Between You and the Close

THE GAP WE'RE SOLVING

Pinemount's model works: every project is capitalized through to construction financing, and your investors have stepped up for every equity top-up so far. What's changed on these two is the check size, not the track record. Top-ups on \$100M+ projects are bigger than friends and family have been asked for before, an EMD makes little sense when most of a raise is done, and the headlines are making new real estate investors hesitant even as rental fundamentals hold up.

Raising deal by deal is a bench problem. The variable you control is how many qualified, new investor relationships you add before each top-up is due, so no single raise depends on the same circle of people.

SURFACE PROBLEM

Two construction-finance top-ups at once: roughly \$3.5M in 6–8 months and \$2M in about four, larger checks than your current network usually covers.

BUSINESS IMPACT

CMHC-backed construction financing needs the equity in place. Bringing in an EMD this late means carving out a raise that is already mostly done.

PERSONAL IMPACT

A new IR rep with a mandate to source investors but no pipeline of new names yet, and a LinkedIn page built for awareness, not for raising.

COST OF INACTION

Two to three raises a year across six active projects keep leaning on the same investors, and every future top-up carries the same uncertainty.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Ontario Accredited & HNW RE Investors	Individuals with a history in private real estate LPs or syndications, who already understand CMHC-backed purpose-built rental and a sponsor's equity top-up.
2. Business Owners & Professionals	Owners, physicians and exited founders in the GTA and Ontario showing tax-exposure signals, looking for long-hold, income-producing real estate.
3. Canadian Single & Multi-Family Offices	Larger checks per conversation. The segment we lean into if early meetings skew too small for the \$3.5M top-up.
4. Real Estate Event Attendees & Speakers	Attendees at Toronto, Montreal and New York real estate and private-capital events, pre-targeted so your IR rep meets them in person.

These segments are our starting point. A more comprehensive outline of investor targets, including minimum check sizes, geographies and exclusions, will be planned with Moshin and your IR rep during onboarding.

FUNDING IS HARD

Two Raises, One Engine

HOW TWO PROFILES FEED ONE CLOSING TEAM

MOSHIN · THE SPONSOR

Moshin's profile opens conversations with the most senior targets: family offices, business owners and experienced real estate LPs who want to hear from the people behind the projects. Its own audience, its own scripts, its own scorecard.

IR REP · THE CLOSER

Your IR rep's profile carries outreach to accredited and high-net-worth individuals, and every meeting either profile books goes to the person whose mandate is to onboard them. We source and qualify; he closes.

THE REEF + EVENTS

Both raises are retargeted to our 10k+ opt-in investor network and featured in Startup Deal Desk (84k+ subscribers). When your IR rep attends a Toronto, Montreal or New York event, we pre-target attendees and book meetings there.

WHY ONE RETAINER COVERS BOTH

The engine is shared: one dedicated account manager, one CRM, one weekly report split by project. And it compounds: every investor who meets you on these two raises is a warm name for the next top-up, so the bench grows with each project instead of starting over. The profile split above is our starting assumption; we'll confirm it with Moshin and your IR rep in the first onboarding session.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn't working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

The Call Briefing

WHAT LANDS IN YOUR INBOX BEFORE EVERY MEETING · A REAL ONE, NAMES WITHHELD

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a \$25K–\$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: "...Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience... Let me know if helpful to chat."

Founder: "...To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch... Given your background, I'd genuinely value your take on it from that angle."

Prospect: "Love it. Let's connect." ... "Perfect. Sent. Looking forward."

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

3,200

LinkedIn touches / month, two profiles

800 InMails and 800 connection invites per profile every month, from Moshin's and your IR rep's accounts, once fully warmed up. Every touch scored and hand-reviewed before it goes out.

QUALIFIED MEETINGS

2–4

per week at steady state (month 2 onward)

Conservatively 1–2 per profile per week once calibrated; strong audiences run more. Not a guarantee, but the range we plan around.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: ICP, audiences, scripts, profile warm-up. A first meeting can land early; the full flow of meetings starts around day 30.

WHAT “QUALIFIED” MEANS, AND THE HONEST TIMELINE

A qualified meeting is an accredited or high-net-worth individual, fund or family office with a verified history of similar investments, who passed scoring and human review, completed the self-qualification form on booking, and whose briefing you approved. Raises historically take 6–12 months from first outreach to capital in the bank. We'll have new investors on your calendar quickly; the close depends on your process and their diligence, and we'd rather you hear that from us now.

What We Are, and What We're Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don't negotiate terms, don't take a success fee or commission, don't touch the transaction, and don't raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Moshin, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

Take this to ownership and your IR rep. We have Wednesday, September 30 at 11am booked for questions; Freizle, our COO, who designs the campaign strategy, can join so the people approving it hear the targeting plan first-hand.

2 · SIGN & KICK OFF

The services agreement comes with this proposal so legal can review the terms in parallel. Once you say yes, onboarding starts that week: interviews with Moshin and your IR rep, and both LinkedIn profiles connected to our system.

3 · FIRST MEETINGS

Both profiles are live within two weeks of kickoff. The first qualified investor conversations land in weeks three and four, then build to a steady weekly rhythm through November and into your December checkpoint, ahead of the first top-up.

WHAT WE NEED FROM YOU

Connect Moshin's and your IR rep's LinkedIn accounts to our system (no passwords or login credentials required). Share project summaries and your current investor list so we exclude them, plus anyone who has already passed. One 60-minute onboarding interview. A Calendly link for each of you, the events your IR rep plans to attend, and a do-not-contact list. That's it. We handle the rest.
