Heather Properties

Investor Outreach Proposal · October 2026

Prepared for Ted Johnson, Jesse Glommen & Hector Figueroa Giraud

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE GOAL

A repeatable, scalable way to fill the Heather Properties fund beyond friends, family and the country-club network. You could absorb $30M a year; the plan is to grow incrementally with the book, aiming for 6–10 aligned investors writing $150K+ checks rather than 30–50 small ones, on an 8%, three-year, interest-only note.

THE PLAN

Three LinkedIn profiles (Ted, Jesse and Hector), run end to end by ThinkFISH in your voice. We target mission-aligned, accredited real estate investors who already write $150K–$500K checks, starting with our vetted investor database, then new 2nd- and 3rd-degree connections. You approve every meeting and run every close.

THE INVESTMENT

$3,000 per month for all three profiles, if signed by October 31 (list price $4,000 for three). Four-month initial term. No setup fee, no success fee, no commission, no transaction involvement.

WHAT TO EXPECT

Ted’s and Jesse’s profiles go live within two weeks of kickoff, with first qualified investor conversations in weeks three and four. Hector’s profile is built up to 500+ connections during month one and joins full outreach in month two, taking the campaign to 3–6 qualified meetings per week across all three. One honest note: investors who don’t know you yet take longer than your network does. Budget 6–12 months from first outreach to capital committed at scale. We would rather you hear that from us now.

Why ThinkFISH

THE TRACK RECORD, BEFORE THE PROCESS

$200M+ client-reported capital raised

10,000+ qualified investor meetings booked

500+ clients served since 2020

ISSUANCE · DARREN MARBLE, CEO

"…one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise $2 to $3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

$2–3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What’s Standing Between You and the Close

THE GAP WE’RE SOLVING

You’ve done the hard part: a $7M book, a model built on underwriting rather than convenience, bank collateral at 75% LTV with customers bringing 10–20%, and a price that never moves. Every dollar so far came from people who already know you. That isn’t a weakness of the fund. It’s a ceiling built into founder-led raising: the network only grows as fast as Ted and Jesse can spend their time on it, and that time belongs to underwriting, realtors and originating deals.

Raising a fund is relationship-built over time, not a 60-day sprint. The variable you control is how many qualified, mission-aligned investor conversations enter the top of your funnel every week, without taking you away from the deals.

SURFACE PROBLEM	Capital comes in through friends, family and the country club. It works, but it isn’t scalable, structured or provable to your banks.
BUSINESS IMPACT	Demand is already there: you could absorb $30M a year. The book can only grow as fast as committed fund capital lets it.
PERSONAL IMPACT	“I can’t be out producing … if I’m out raising money.” Two full-time jobs on the same people: originating deals and wooing investors.
COST OF INACTION	Realtors send a client you can’t fund. Each one you turn away weakens the referral relationships the whole origination engine runs on.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Real Estate Debt & Note Investors	Accredited individuals and family offices already writing $150K–$500K checks into real estate debt, who read an 8% collateralized note as part of their allocation.
2. Impact & Housing-Mission Investors	Investors drawn to affordable home ownership. Your stories (bridging a family to down-payment assistance, a path out of divorce) are why they say yes.
3. SFR & Rent-to-Own Familiar Capital	Investors in single-family rental, lease-option or contract-for-deed funds who understand the model and can see why yours actually leads to ownership.
4. Midwest Business Owners & Operators	Twin Cities and Midwest owners, executives and exited founders who know the market, value a local operator and stay invested for years.
5. Family Offices & Syndicate Leads	Single-family offices and syndicate leads who bring others into an SPV: one relationship, several checks, the season-tickets model.

These segments are our starting point. A fuller outline of investor targets, including check sizes, geographies, accreditation and exclusions, will be built with you during onboarding.

Three Profiles, One Fund

WHO CARRIES WHICH CONVERSATION, AND WHY

TED · OWNER & OPERATOR

Ted's profile carries the vision and the structure: the owner, an IT executive turned founder, building a fund with tranches and tiers that's easy to administer. It leads with family-office, operator and syndicate investors. Profile updated so Heather Properties sits front and center.

JESSE · UNDERWRITING

Jesse's profile carries the credit story: a mortgage broker and former banker who underwrites every customer to a path to ownership. It speaks to debt and note investors who want to see collateral, profitability and owner-occupied SFRs before they talk alignment.

HECTOR · FROM MONTH 2

Hector's profile is grown from ~100 to 500+ connections during month one, then joins full outreach, adding a third background and a third voice. Different backgrounds draw different responses, so each profile gets its own segments and scripts.

WHY ONE RETAINER COVERS ALL THREE

The engine is shared: one dedicated account manager, one CRM, one weekly report split by profile. Every profile also draws on our internal database of 10k+ vetted investors and a feature in Startup Deal Desk, our 84k-subscriber investor newsletter. Your 1st-degree network is off-limits unless you open it, and your do-not-contact list (cousin Fred included) always applies. The profile-to-segment mapping above is our starting point, confirmed with you at onboarding.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn’t working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

The Call Briefing

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a $25K–$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: *"…Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience… Let me know if helpful to chat."*

Founder: *"…To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch… Given your background, I'd genuinely value your take on it from that angle."*

Prospect: *"Love it. Let's connect." … "Perfect. Sent. Looking forward."*

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

4,800

LinkedIn touches / month, three profiles

About 800 InMails and 800 connection invites per profile each month once warmed up: Ted and Jesse from launch, Hector from month two. Every touch scored and hand-reviewed before it goes out.

QUALIFIED MEETINGS

3–6

per week at steady state, three profiles

Conservatively 1–2 per profile per week once calibrated (2–4 from Ted and Jesse alone in month one). Not a guarantee, but the range we deliver consistently.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: segments, retargeting our database, scripts in your voice, profile updates. Live outreach starts in week three, and the first bookings follow within days.

WHAT “QUALIFIED” MEANS, AND THE HONEST TIMELINE

A qualified meeting is an accredited individual, fund or family office with a history of similar real estate investments, who passed scoring and human review, confirmed your $150K minimum on booking, and whose briefing you approved. Investors new to you take longer than your network: plan on several meetings per close and 6–12 months from first outreach to committed capital at scale. We’ll fill the top of the funnel; the close is yours.

What We Are, and What We’re Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don’t negotiate terms, don’t take a success fee or commission, don’t touch the transaction, and don’t raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Ted, Jesse and Hector, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

Take this deck to the team. Ted, Jesse and Hector, send us the questions that come back, and we'll work through them on our call Tuesday, October 27, at 9:30 Central. The services agreement and the process video come with this deck.

2 · SIGN & KICK OFF

Sign by October 31 to lock in three profiles at $3,000. We book onboarding the same week: interviews with Ted, Jesse and Hector, all three LinkedIn profiles connected, Hector's warm-up started.

3 · FIRST MEETINGS

Ted's and Jesse's profiles are live within two weeks of kickoff. The first qualified investor conversations land in weeks three and four, Hector joins in December, and the flow builds toward the four-month review.

WHAT WE NEED FROM YOU

Connect Ted's, Jesse's and Hector's LinkedIn accounts to our system (no passwords required). Heather Properties at the top of Ted's profile. Your investor deck, one-pager and data room as they come together. One 60-minute onboarding interview with the three of you. A Calendly link for each profile, and a do-not-contact list for anyone in your network we should leave alone. We handle the rest.
