Jetstream Venture Fund

Investor Outreach Proposal · October 2026
Prepared for Michael Shufeldt & Doug Sylvester

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE GOAL

More investor meetings for Jetstream Venture Fund, every week, primarily with $50K+ checkwriters: family offices, high-net-worth individuals and seasoned angels, the tier between retail and institutions. Investors below $50K are segmented into their own track, so smaller interest still converts without taking the partners' one-on-one time.

THE PLAN

Three partner profiles (Michael's, John's and Doug's), run end to end by ThinkFISH in your voices, each aimed at the network it already speaks to: military and aviation, physicians, and legal professionals, alongside family offices and angels. Every meeting pre-qualified, sorted at the $50K line, and approved by you.

THE INVESTMENT

$3,000 per month, flat, for three profiles. Add Chris as a fourth profile for $3,500 per month. Four-month committed term. No setup fee, no success fee, no commission, no transaction involvement.

WHAT TO EXPECT

Outreach live within two weeks of kickoff. First qualified investor conversations in weeks three and four, building to a steady 3–6 qualified meetings per week across the three profiles from month two, with weekly reporting by profile and segment. One honest note: larger allocators move more slowly than the $5–10K investors you close today. Diligence on a fund takes time, and many will start with a test allocation and add as they watch the share price, exactly as your current investors have. We'd rather you hear that from us now.

Why ThinkFISH

THE TRACK RECORD, BEFORE THE PROCESS

$200M+ client-reported capital raised

10,000+ qualified investor meetings booked

500+ clients served since 2020

ISSUANCE · DARREN MARBLE, CEO

"…one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise $2 to $3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

$2–3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

What’s Standing Between You and the Close

THE GAP WE’RE SOLVING

The fund is proven where it counts: when someone interested gets a conversation with you, they almost always invest, and existing investors keep adding as the share price climbs. The variable is the number of conversations, above all with larger checkwriters. In-person events and referrals work but don’t repeat, and family offices are harangued by fundraisers all day, so cold calls, email and automated LinkedIn tools never reach them.

Your close rate is already there. The variable you control is how many investor conversations reach your calendars every week, sorted at $50K so the larger checks get the partners’ time and smaller interest gets its own track.

SURFACE PROBLEM	Strong close rate, not enough conversations. Phone, email and LinkedIn all came back “tough”; the automated tools you tried produced nothing.
BUSINESS IMPACT	Most of the flow today is $5–10K. A steady stream of $50K+ meetings lifts the average check while smaller investors keep coming in on their own track.
PERSONAL IMPACT	Partners spending their time on events and referrals that close well but can’t be scheduled, instead of on deals and portfolio companies.
COST OF INACTION	Without a repeatable channel, you never learn whether bigger checkwriters want this fund, or whether your sample to date was simply biased.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Single-Family Offices & Funds of Funds	The tier between individuals and institutions you named. A $50K allocation is routine for them, and an evergreen fund with no carry suits long-horizon capital.
2. JOHN · Physician & Healthcare Investors	Doctors and healthcare executives with health tech, medtech or biotech exposure. A physician-founder's profile is the one they'll answer.
3. MICHAEL · Military & Aviation Investors	Airline and military pilots, veterans and defense professionals. A shared background is the strongest foot in the door, and the fund holds defense deals.
4. DOUG · Attorneys & Professional HNW	Law firm partners and high-earning professionals in their 30s–50s looking to diversify beyond public markets into venture.
5. Seasoned Angels & Syndicate Leads	Experienced investors who value per-deal exits, the tax treatment, access to your deal flow and the option to syndicate alongside the fund.

Primary target: $50K+ checks. Investors under $50K are routed to a separate track (e.g. group webinars). Full targets and exclusions are set with you in onboarding.

Three Partners, Three Networks

HOW ONE CAMPAIGN USES EACH PARTNER'S CREDIBILITY

JOHN · PHYSICIANS

John's profile carries the fund to doctors and healthcare investors. A physician-founder with a strong LinkedIn presence and decades in healthcare speaks their language, and the fund's health tech, medtech and biotech holdings need no explaining.

MICHAEL · MILITARY

Michael's profile carries the fund to airline and military pilots, veterans and defense professionals, plus the family offices and angels in the core ICP. Shared service is one of the strongest openers we see, and the network is largely untapped by the fund so far.

DOUG · LEGAL & HNW

Doug's profile carries the fund to attorneys and high-earning professionals diversifying beyond public markets. Each profile has its own audience, scripts and scorecard, so a physician never receives the pitch written for a pilot.

WHY ONE RETAINER COVERS ALL THREE

The engine is shared: one dedicated account manager, one CRM, one weekly review, one report split by partner, segment and check size. On top of outreach, the fund is retargeted to our 10k+ opt-in investor network and featured twice in Startup Deal Desk, our 84k-subscriber investor newsletter. Chris's profile can be added as a fourth for science and research investors at +$500 per month.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn’t working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

The Call Briefing

WHAT LANDS IN YOUR INBOX BEFORE EVERY MEETING · A REAL ONE, NAMES WITHHELD

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a $25K–$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: *"…Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience… Let me know if helpful to chat."*

Founder: *"…To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch… Given your background, I'd genuinely value your take on it from that angle."*

Prospect: *"Love it. Let's connect." … "Perfect. Sent. Looking forward."*

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

3,600+

LinkedIn touches / month, three profiles

We aim to send 600–800 InMails and 600–800 connection invites per profile every month from Michael's, John's and Doug's accounts once fully warmed up. Every touch scored and hand-reviewed first.

QUALIFIED MEETINGS

3–6

per week at steady state (month 2 onward)

Conservatively 1–2 per profile per week once calibrated, primarily $50K+ checkwriters, with smaller investors on their own track. Not a guarantee, but the range we deliver consistently.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: ICP, audiences, scripts and warming three profiles. Live outreach starts in week three, and the first replies and bookings follow within days.

WHAT "QUALIFIED" MEANS, AND THE HONEST TIMELINE

A qualified meeting is a family office, high-net-worth individual or angel with a verified investing history who passed scoring and human review, stated their check size on booking, and whose briefing you approved. $50K+ goes to the partners first; smaller investors are routed to their own track. Larger allocators take longer to decide and often start with a test allocation. We'll fill your calendars quickly; the pace of capital is up to your process and their diligence.

Your First 90 Days

WHAT HAPPENS, AND WHEN

WEEKS 1-2 · EARLY NOV
Setup & Calibration

- Interviews: Michael, John, Doug
- Three audiences, one per profile
- Profiles branded to Jetstream
- Scripts approved in your voices

WEEKS 3-4 · MID NOV
First Live Outreach

- Live on all three profiles
- First replies, first booked meetings
- Startup Deal Desk feature #1

MONTH 2 · DECEMBER
Steady Flow

- Steady weekly flow, $50K+ first
- Targeting tightened on real replies
- Report: which segment writes checks

MONTH 3 · JANUARY
Prove-Out & Scale

- Three months of data by segment
- Volume shifted to what converts
- Plan: add Chris, or new segments

THE JANUARY REVIEW

By January you'll have three months of real numbers by partner, segment and check size: who replies, who books, and who allocates. That answers the question you raised on the call, whether bigger checkwriters have an appetite for the fund. Month four puts volume behind the winning segments, and the decision to scale (add Chris's profile for science investors) gets made on data.

Pricing

FLAT RETAINER. NO SETUP FEES, NO SUCCESS FEES, NO SURPRISES.

THINKFISH FUNDRAISING · DONE-FOR-YOU

$3,000 / month, 3 profiles

4-month term · Add Chris as a 4th profile: $3,500/month

- Three LinkedIn profiles (Michael, John, Doug), fully managed
- Full campaign execution, end to end
- Outreach, inbox management & follow-ups
- Qualification by check size & pre-call briefings
- The Reef retargeting & two Startup Deal Desk features
- Profile optimization & branding to the fund
- CRM, weekly reporting, A/B testing & optimization

WHAT THAT BUYS

- Three partner profiles for the price of two: John’s profile was added so physicians hear from a physician
- Three distinct networks (military, medicine, law) worked at once, with results reported by segment
- A fourth profile for +$500: Chris reaches science and research investors with the same team and CRM
- A clear answer by month three on which investor tier and segment actually allocates to the fund
- Investors under $50K aren’t wasted: they’re segmented into a separate track you can pitch as a group

What We Are, and What We’re Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don’t negotiate terms, don’t take a success fee or commission, don’t touch the transaction, and don’t raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Michael and Doug, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

Michael, share this with Doug ahead of next week's call. We'll run it as a Q&A: bring every question that comes out of Doug's review of other fundraising tools, and we'll answer them directly.

2 · SIGN & KICK OFF

We send the services agreement the same day you say yes. Onboarding interviews with Michael, John and Doug start that week, and we connect the three LinkedIn profiles to our system.

3 · FIRST MEETINGS

All three profiles are live within two weeks of kickoff. The first qualified investor conversations land on your calendars in weeks three and four, then build to a steady weekly rhythm through December and into the January review.

WHAT WE NEED FROM YOU

Connect Michael's, John's and Doug's LinkedIn accounts to our system (no passwords or login credentials required). Share the fund's current offering materials, any investor lists and past conversations, and your existing investors so we exclude them. A 60-minute onboarding interview with each partner. A Calendly link for each of you, and a do-not-contact list. That's it. We handle the rest.
