GV Correct

Investor Outreach Proposal · September 2026
Prepared for Don Hammond, CEO

Executive Summary

THE ASK, THE PLAN, THE INVESTMENT, WHAT TO EXPECT

THE ASK

\$3.5M seed to close out FDA1 for non-surgical pediatric knock-knee and bow-leg correction, fund clinical testing, manufacturing and launch, and start FDA2. 18+ months of runway, selling within 12–15 months. \$150K minimum check, from angels and family offices, not VCs or large strategics. Goal: the full amount committed before year-end.

THE PLAN

Two or three GV Correct executive LinkedIn profiles, run end to end by ThinkFISH in your voice. Targeting family offices in the US, UK and UAE with pediatrics, wearables or medtech in the portfolio, and the surgeon and physician angels driving medtech's seed rounds: \$150K–\$500K checks, around \$1M from family offices. Every meeting pre-qualified and approved by you.

THE INVESTMENT

\$3,000 per month for two executive profiles, or \$4,000 per month for three, flat. Six-month term with a three-month opt-out. No setup fee, no success fee, no commission, no transaction involvement.

WHAT TO EXPECT

Outreach live within two weeks of kickoff. First qualified investor conversations in weeks three and four, building to 2–4 qualified meetings a week on two profiles, or 3–6 on three, from November, with weekly reporting. One honest note: pre-revenue raises historically take 6–12 months from first outreach to capital in the bank. We can put the right angels and family offices on your calendar well before year-end; whether the full \$3.5M closes by December depends on your process and each investor's diligence, and we'd rather you hear that from us now.

ISSUANCE · DARREN MARBLE, CEO

"...one of the most effective investor marketing firms I've ever worked with when it comes to raising capital for my companies. In the last 60 days alone, FISH has arranged 25 qualified investor meetings for me."

25 QUALIFIED INVESTOR MEETINGS IN 60 DAYS

CARTHAGE CAPITAL · STEPHEN WU

"ThinkFISH helped me raise \$2 to \$3 million across around 20 different investors over the past nine months. I basically got two to three meetings every week, consistently, and they're already interested. I was going to cancel after a quarter if you didn't deliver. You delivered way above my expectations."

\$2-3M RAISED ACROSS ~20 INVESTORS IN 9 MONTHS

FUNDABLE COMPANIES GET FUNDED

Every client we've worked with who was fundable (real product, real traction, a team that can run a process) has received checks from meetings we set. We're not in the room for those meetings, so we only report what clients report back. Full testimonials and video links are in the appendix.

FUNDING IS HARD

What's Standing Between You and the Close

THE GAP WE'RE SOLVING

In under a year you've rebuilt the company: go-to-market, pricing, cash-flow model and product roadmap, a team with 15, 25 and 20+ years in medtech, life sciences and FDA regulatory, plus a medical advisory board and clinical testing partners. Investors are responding: of six first meetings, four went to a second round and two to a third. The gap is structural. Your deepest network is in tech, and medtech capital plays it much closer to the vest.

Fundraising is a volume game at the right tier. You've already met one or two puzzle-piece investors through your own network. The variable you control is how many more of them enter the top of your funnel every week, until it's seven, not two.

SURFACE PROBLEM

Strong reception and no hard nos, but only a handful of true fits so far. The consumer-tech investors tested want to ride FDA1 to a quick exit, not fund the data platform behind it.

BUSINESS IMPACT

The \$3.5M closes FDA1, clinical testing, manufacturing and launch, and starts FDA2. Every month short of the full round pushes back the launch and the data collection that drives the valuation.

PERSONAL IMPACT

The CEO and executive team building investor lists and working LinkedIn by hand, instead of running the go-to-market and the FDA path the round is meant to fund.

COST OF INACTION

Missing the September to mid-December window, when capital is most active, and carrying the raise into next year on a network that was built for tech, not medtech.

Your Investor ICP

TARGET SEGMENTS, IN PRIORITY ORDER

SEGMENT	WHO THEY ARE AND WHY THEY FIT
1. Family Offices · Pediatrics & Wearables	US, UK and UAE family offices that have already backed pediatrics or wearables. Your best fit: they know the category and the data play.
2. Family Offices · Life Sciences & Medtech	US, UK and UAE family offices with life sciences or medtech experience, writing around \$1M, often with a board seat.
3. Orthopedic & Pediatric Surgeon Angels	Practicing and retired surgeons who treat knock-knee and bow-leg every week, and know “come back in 6–12 months” no longer works for parents.
4. Physician & Retired-Doctor Angels	Physicians with capital and time who back clinical products they understand. Medtech seed has proven far more angel-driven than tech.
5. Medtech & Life Sciences Operator-Angels	Exited founders and executives from med device, orthopedics and digital health who write lead checks and value a fast, DTC FDA path.

\$150K minimum; ~\$500K earns a board seat, five max. No VCs, Medtronic or J&J. Past contacts excluded; other data used with your approval.

How We Fill Your Calendar

SIX STEPS, ONE PAGE

1 · MULTI-SOURCE DATA

Sales Navigator, your own lists and past conversations, our 10k+ investor database, the 84k-subscriber Startup Deal Desk newsletter, and the events your targets attend.

2 · SIGNAL FILTERING

Deal history and live engagement outweigh job titles. Brokers, funding agents, advisor-only contacts and “investors” who are selling services are filtered out.

3 · ICP SCORING

Every contact scored high, medium or low fit against a scorecard built with you. High fit goes first. Scripts A/B tested against real replies.

4 · MANUAL REVIEW

A dedicated account manager hand-checks every high-fit profile before a message goes out, and learns your story well enough to tell it in your voice.

5 · PRE-CALL QUALIFICATION

Every booking routes through a short form: accreditation, check size, timeline, sectors. A briefing before every call; soft letdowns for the wrong fit.

6 · YOUR FINAL APPROVAL

Accept, vet further or decline every meeting. Shared CRM from day one, weekly reporting, monthly strategy calls. If something isn't working, you hear it from us first.

THE FLOW

Multi-source data → signal filters → ICP scoring → manual review → pre-call qualification → your approval. Outreach only happens after the first four steps; a meeting only lands after all six. The briefing you receive before every call is on the next page.

The Call Briefing

WHAT LANDS IN YOUR INBOX BEFORE EVERY MEETING · A REAL ONE, NAMES WITHHELD

CONFIRMED MEETING: New Scheduled Call – [Prospect]

From: your ThinkFISH account manager · To: you · Cc: Myra Grama, Freizle Abarrientos · Thu, Sep 17, 2026, 6:26 PM

Here is the booking summary for your upcoming call with [Prospect] on Tuesday, September 22, at 5:30pm ET. This meeting came through outbound LinkedIn outreach, and is categorized under **Segment A (Hospitality-Connected Investors)**, with secondary alignment to **Segment C (Operator-Turned-Investor / High-Income Professional)**. He initially pushed back hard on the original pitch, questioning whether luggage storage footprint would move a hotel's P&L, then re-engaged and booked once the conversation was reframed around the raise and his advisory perspective rather than a property-pilot pitch.

Summary of why he's a good fit:

15+ years of senior hospitality brand leadership: Global Brand Director for Westin Hotels & Resorts and Global Brand lead across Marriott's premium and lifestyle portfolio, Director of Brand F&B Development (Americas) at Hilton, and a stint at a VC-backed hospitality-tech startup. He now advises private clients across the hospitality sector. **His own qualifying answers reflect that: he marked himself as not accredited but also selected a \$25K–\$50K check size, direct investment, and a 30–90 day timeline**, an inconsistency worth being aware of going in. He also selected Advisor/Consultant as his partnership interest, so the call may land better framed as an operator/advisory conversation.

Mutual Connections: Matthew and Cherryh. **Network Highlights:** 4,251 followers, active on LinkedIn engaging with colleagues' career milestones; Cornell-affiliated.

Affiliations & notable initiatives: VP, Strategy at a hospitality brand consultancy · Former Global Brand Director, Westin Hotels & Resorts (Marriott International) · Former Director, Brand F&B Development (Americas), Hilton · Led global brand strategy across Westin, Sheraton, Autograph Collection, Le Méridien, Renaissance and Delta · Part of a team that drove a 5x revenue increase with 40% margin expansion across 9 markets and 200,000+ hotel guest rooms.

Conversation Thread:

Prospect: "...Not sure the additional 50 sq meters a luggage storage room would change the hotel P&L much if any. I'm no longer your target audience... Let me know if helpful to chat."

Founder: "...To be upfront, this outreach is part of a raise we're running, not a property-pilot pitch... Given your background, I'd genuinely value your take on it from that angle."

Prospect: "Love it. Let's connect." ... "Perfect. Sent. Looking forward."

What To Expect

VOLUME, MEETINGS, TIMING

OUTREACH VOLUME

2,400+

LinkedIn touches / month, 2–3 profiles

600–800 InMails and 600–800 connection invites per profile every month once warmed up: 2,400+ on two profiles, 3,600+ on three. Every touch scored and hand-reviewed first.

QUALIFIED MEETINGS

2–6

per week at steady state (month 2 onward)

Conservatively 1–2 per profile per week once calibrated: 2–4 on two profiles, 3–6 on three. Not a guarantee, but the range we deliver consistently.

TIME TO FIRST MEETINGS

3–4

weeks from kickoff to first booked calls

Weeks one and two are setup: ICP, audiences, scripts, profile warm-up. Live outreach starts in week three, and the first replies and bookings follow within days.

WHAT “QUALIFIED” MEANS, AND THE HONEST TIMELINE

A qualified meeting is a high-net-worth individual, fund or family office with a verified history of similar investments, who passed scoring and human review, completed the self-qualification form on booking, and whose briefing you approved. Pre-revenue raises historically take 6–12 months from first outreach to capital in the bank. We'll have the right investors on your calendars quickly; the close depends on your process and their diligence, and we'd rather you hear that from us now.

Your First 90 Days

WHAT HAPPENS, AND WHEN

WEEKS 1-2 · EARLY OCT

Setup & Calibration

- Onboarding interview with Don
- Family office and angel ICP built
- Exec profiles optimized and warmed
- Scripts approved in your voice

WEEKS 3-4 · LATE OCT

First Live Outreach

- Live on every executive profile
- First replies, first booked meetings
- A/B tests: family office vs angel

MONTH 2 · NOVEMBER

Steady Flow

- Steady weekly investor meetings
- Targeting tightened on real replies
- Segment reporting: what converts

MONTH 3 · DECEMBER

Year-End Push

- Full pipeline into the Dec 15 close
- Prove-out review on three months
- Your 3-month opt-out checkpoint

THE THREE-MONTH CHECKPOINT

By the end of month three you'll have real numbers on audience quality, meeting quality and conversions, and a clear view of how much of the \$3.5M came through this pipeline versus your own network. That is your opt-out checkpoint: continue into the FDA2 and Series A conversations, scale to another profile, or stop. The decision gets made on data, not on faith.

FUNDING IS HARD

Pricing

FLAT RETAINER. NO SETUP FEES, NO SUCCESS FEES, NO SURPRISES.

THINKFISH FUNDRAISING · DONE-FOR-YOU

\$3,000 / month · 2 profiles

\$4,000 / month · 3 profiles

6-month term · 3-month opt-out · 2 or 3 executive profiles

- Two or three executive LinkedIn profiles, fully managed
- Angel and family office targeting, end to end
- Outreach, inbox management & follow-ups
- Lead qualification, pre-call briefings & scheduling
- The Reef retargeting & Startup Deal Desk feature
- Profile optimization, pitch & deck support
- CRM, weekly reporting, A/B testing & optimization

WHAT THAT BUYS

- A third executive profile adds 50% more outreach and its own audience for a third more on the retainer
- Compare: investment bankers decline sub-\$10M mandates; crowdfunding platforms cost 20–30% of the raise in marketing spend
- No success fee or commission on any capital raised, and the relationships built now carry into the FDA2 and Series A rounds
- One dedicated account manager, one CRM and one weekly report across every executive profile
- The three-month opt-out means the year-end decision is made on real numbers, not on faith

What We Are, and What We're Not

THE COMPLIANCE QUESTION, ANSWERED UP FRONT

WHAT WE ARE

A digital media and investor-relations firm. We build and run LinkedIn outreach in your name, qualify the responses, and put pre-vetted investor conversations on your calendar. Flat monthly fee, nothing else.

WHAT WE ARE NOT

Not a broker-dealer, placement agent or finder. We don't negotiate terms, don't take a success fee or commission, don't touch the transaction, and don't raise the capital. You run the conversation and you close.

STAYING COMPLIANT

Early messages are relationship-first and high-level: no deal terms, no structure, no forecasts. Collateral only once interest is real, and you are the first to share a full deck. Every script is approved by you before it goes out.

THINKFISH LLC 2026

FUNDING IS HARD

Your Team

WHO YOU WILL ACTUALLY BE WORKING WITH

FREIZLE ABARRIENTOS

Chief Operating Officer. Two decades across operations, business development, investor relations and client services; oversees ThinkFISH's daily operations. Leads strategy and the ICP design, and joins your monthly strategy calls.

SAMANTHA COWPER

Onboarding Manager. Runs your first two weeks: the onboarding interviews with Don, profile optimization, the ICP and audiences, and script approval, so the campaign launches on time and in your voice.

MYRA GRAMA

Account Director. Owns the relationship from launch onward: campaign performance, the weekly report, the monthly strategy call, and the escalation point if anything needs a pivot.

YOUR DEDICATED ACCOUNT MANAGER

Assigned at kickoff and introduced by Samantha in the first onboarding session. Runs the campaign day to day under Myra: audience building, scripts, inbox, qualification, call briefings and the weekly report. One person who knows your story, reachable on Slack or WhatsApp, not a ticket queue.

Next Steps

HOW WE GET STARTED

1 · REVIEW

We'll walk through this plan with you on Tuesday, September 29 at 2:30pm ET: where our data comes from, who we target, our track record and how the timeline plays out. Freizle, our COO, joins to answer the strategy and process questions directly. Send anything you want covered before then.

2 · SIGN & KICK OFF

We send the services agreement the same day you say yes. Onboarding starts that week: the interview with Don, profile optimization for each executive, and access to your front-end and comprehensive decks, so outreach can go live in October.

3 · FIRST MEETINGS

Every profile is live within two weeks of kickoff. The first qualified investor conversations land on your calendar in weeks three and four, then build to a steady weekly rhythm through November and into the mid-December close.

WHAT WE NEED FROM YOU

Connect two or three executive LinkedIn accounts to our system (no passwords or login credentials required). Share both decks, plus the 400–500 investors your team has already contacted, which become the do-not-contact list; any other lists or research you have, we pull into the campaign with your approval. One 60-minute onboarding interview and a Calendly link for each profile. We handle the rest.
